

ASSEMBLY INSTRUCTIONS

RED STONE BENCH

STEP 1: PLACE THE BENCH LEGS UPRIGHT ON A LEVEL SURFACE

FOR INGROUND INSTALLATION: PLACE LEGS FLAT ON THEIR BACKS WITH THE FRONT EDGE OF THE SEAT POINTING UP.

STEP 2: PLACE 4 OF THE 2X4 BOARDS ONTO THE SEAT, ALIGNING THE HOLES IN THE BENCH LEGS WITH THE PILOT HOLES IN THE 2X4s. HOLD OR CLAMP THE PROFILES AND FASTEN THE BOARDS TO EACH BENCH LEG FROM THE UNDERSIDE OF THE BENCH LEGS USING 8 OF THE 2-1/4" SCREWS PER BENCH LEG—**DO NOT OVER TIGHTEN.**

STEP 3: PLACE ONE OF THE 2X4 BOARDS ONTO THE BACK OF THE BENCH. ALIGN THE HOLES IN THE BACK OF THE BENCH LEGS WITH THE PILOT HOLES IN THE BOARDS. ATTACH THE BOARD TO THE BENCH LEGS USING 2 OF THE 2-1/4" SCREWS PER BENCH LEG. REPEAT FOR THE REMAINING 2X4s.

**ONCE THE BENCH IS FULLY ASSEMBLED TIGHTEN ALL SCREWS, SHIFTING BENCH AS NECESSARY TO INSURE A NEAT, SQUARE APPEARANCE. —DO NOT OVER TIGHTEN.*

INGROUND INSTALLATION: LAY THE ASSEMBLED BENCH ON ITS BACK WITH LEGS POINTING WHERE YOUR DESIRED HOLE LOCATION WILL BE. MARK THE GROUND WHERE THE HOLES WILL BE DUG, USING THE BENCH LEGS AS A GUIDE FOR DISTANCE. DIG POST HOLES APPROXIMATELY 20" DEEP. INSERT BENCH INTO HOLES AND MEASURE THE HEIGHT FROM THE FRONT OF THE SEAT TO THE GROUND. ADD OR REMOVE MATERIAL FROM THE HOLES UNTIL THE BENCH IS APPROXIMATELY 17" TO 17 ½" ABOVE THE GROUND. USE A LEVEL TO CHECK FINAL VERTICAL AND HORIZONTAL ALIGNMENT OF THE BENCH LEGS AND ADJUST AS NECESSARY. FILL THE HOLES 2/3 FULL OF DRY CONCRETE MIX. (MAKE SURE TO WIPE ANY DUST OFF THE BENCH BEFORE ADDING WATER) ADD WATER ACCORDING TO DRY MIX INSTRUCTIONS. FILL HOLES THE REST OF THE WAY WITH DIRT. KEEP OFF BENCH FOR ATLEAST 24 HOURS. WE RECOMMEND SCREWING WOOD STAKES TO THE BENCH LEGS TO BRACE THEM FROM MOVING AND LEAVE ATTACHED TO THE BENCH FOR 24 HOURS OR UNTIL CONCRETE IS SET ENOUGH TO HOLD BENCH IN PLACE. REMOVE WOOD STAKES.

NOTE: PROFILES MAY BE DIRECTIONAL AND YOU MAY NEED TO TURN THEM END-TO-END IF THEY DO NOT LINE UP SQUARELY.

*Your 100% recycled plastic bench will give you many years of pleasure and pride,
knowing that you did your part in keeping plastic waste out of landfills and protecting our environment.*
